PART 10: ORGANISATIONAL CHANGE

10.1 Consultation

- 10.1.1 The Employer recognises the potential impact of significant organisational change in the work lives of Employees and seeks to minimise any negative effect of change through appropriate processes of consultation.

Accordingly, the Employer will notify in writing the National Secretary of TIASA and/or TEU, the Chair of the local branch of TIASA and/or TEU and affected Employees of any reviews, including mergers and amalgamations.

- 10.1.2 The National Secretary of TIASA and/or TEU, the Chair of the local branch of TIASA and/or TEU and affected Employees will be notified in writing by the Employer of any reviews of the University's organisational structure or function, which may result in significant changes to either the structure, staffing or work practices affecting existing Employees.

- 10.1.5 The Employer will take all practicable steps to provide relevant information requested by TIASA and/or TEU.

10.2 Application

These provisions apply to Employees who have an ongoing expectation of employment. They will not apply to Employees who have reached the expiry of a fixed term appointment or to casual Employees.

10.3 Surplus Staffing

- 10.3.1 A surplus staffing situation exists when as a result of reduction in funding, course demands, organisational changes or other identified factors the Employer requires a reduction in the number of Employees.

10.3.2 Identification of Surplus Staffing

- (a) In the event that a review of the University's organisational structure or function, following consultation as provided for in Clause 10.1.3, results in a surplus staffing situation, the Employer shall advise in writing individual Employees who might be affected and shall also advise such Employees of their right to assistance from TIASA and/or TEU.
- (b) The process and/or criteria for determining the specific positions which are to be declared surplus to requirements shall be determined by the Employer following consultation with TIASA and/or TEU.

10.3.3 Notification

Once specific positions have been identified as surplus to requirement:

- (a) If there is only one position affecting only one Employee or in respect of staff for whom severance is not voluntary, the Employer shall advise the National Secretary of TIASA and/or TEU, the Chair of the AUT Branch of TIASA and/or TEU and the Employee(s) affected not less than two months prior to the date by which the Employee is to be discharged. This date may be varied by agreement between the Employer and the Employee.

- (b) If there is more than one position and more than one Employee per position is potentially affected, the Employer shall call for voluntary severance from the Employees potentially affected. The Employer shall determine which, if any, of those Employees who request voluntary severance shall be granted voluntary severance, having due regard to retaining a viable skill and experience base within the reduced workforce. Any Employee who is granted voluntary severance shall receive two months' notice prior to the date of discharge. This date may be varied by agreement between the Employer and the Employee.

10.4.2 Employees who offered a position within the University which is directly comparable to their existing positions, which does not require a change in residential location, and who decline appointment will not have access to severance. The above options will continue to be available to Employees declared surplus until the Employee's last date of employment.

10.5.3 Retraining

The Employer may, following application from the Employee, offer the option of retraining with financial assistance. The total cost to the Employer, including any salary and training costs will not exceed 110% of the value of the severance payment the Employee would be entitled to. Where the Employee receives a severance payment any training allowance additional to this payment shall be by way of reimbursement of the costs of personal skills development up to 10% of the amount of the severance payment.

10.5.4 Severance

- (e) In any instance where an Employee has received a benefit for severance or early retirement from a previous Employer where such employment would otherwise qualify for "service" under Clause 2.17 above, such employment which has been taken account of in calculating the benefit shall not be credited for "service" in any of the provisions of this Clause.
- (f) Payment will be made in accordance with the following:
 - (i) Where termination is immediate or less than two months' written notice is given by the Employer, 16 percent of salary for the preceding 12 months or the appropriate proportion of this amount will be payable in lieu of notice not given, regardless of length of service;

- 12.1.3 Both the Employees and Employer should try to resolve the matter in an interest-based manner and, if suitable, use the University's Early Resolution Programme in an attempt to reach resolution.
